PORTFOLIO DAY 2024

Monday, April 29, 2024

A CALL FOR PANELISTS!

Portfolio Day is an inspiring event when students showcase their best work in digital portfolios for community panels. It's one of our favorite days of the year!

The main goal of this event is to provide students with a platform to present their work professionally to the community. This setting, similar to a professional interview, allows students to engage with community members they might not otherwise meet, and practice using essential soft skills in a supportive setting.
